2025 Strategic Plan

St. Thomas 2025 is an ambitious, yet focused five-year effort designed to propel the university toward a new level of impact. It will help St. Thomas recommit to ongoing priorities, leverage new opportunities and intentionally build on its extraordinary strengths.

OUR MISSION

Inspired by Catholic intellectual tradition, the University of St. Thomas educates students to be morally responsible leaders who think critically, act wisely and work skillfully to advance the common good.

OUR 10-YEAR ASPIRATION

The University of St. Thomas will advance to the level of excellence, impact and reputation that distinguishes the top 10 national Catholic universities.
