

FALL 2023 INTERNATIONAL STUDENT ENROLLMENT REPORT

WELCOME

Dear Colleagues,

We are pleased to share with you this annual report on the University of St. Thomas international student community. The Office of International Students & Scholars (OISS) serves our international community of students and scholars. We track, report, and provide services for over 600 enrolled and graduated international students.

This report serves as a statistical resource about our international students. Our international student community includes degree seeking and non-degree seeking non-immigrant visa holders and exchange students. This report does not include international scholars who serve as researchers, faculty members, or short-term lecturers at the university, nor does it include immigrants such as green card holders, asylees, or refugees.

If you have questions, please contact me at lorifriedman@stthomas.edu.

Regards,

Lori Friedman
